Enough already

There is a saying: "Talk less, and
say more." As we all know, the public
vote on Eagle River Station was "no."
Since that vote apparently did not
count, we continue to have a lot of
debate regarding the outcome of
ERS.

My short version of what ERS rep-
resents to the town of Eagle and sur-
rounding communities comes from
a song written by Joni Mitchell:

"Don't it always seem to go,
That you don't know what you got
'til it's gone?"

They paved paradise and put up a
parking lot."
Something to think about.
