Been reading some of the articles in Vail daily wrt to mis-information about ERS. Often times you don't know who to believe, but just for the record, I have been and still am a supporter of ERS. My own personal belief is that I think ERS will bring badly needed revenue to the town of Eagle. Do I know that to be a fact..heck no.. but I do feel that if Eagle does nothing the town goes no place and the population will suffer. So from my point of view..."ERS NEEDS TO HAPPEN!!!"
