To Whom It May Concern:

I am unable to attend the meeting tomorrow on Valentine's Day, but I will take a moment to write to you.

I am Kathryn Rose of 0270 Tanager Circle, Eagle, CO 81631.

I am VERY MUCH OPPOSED to the proposed eagle river station project. I did attend many of the meetings the last time this came around. I thought we the voters had already voted against this project. If given the opportunity to vote again, I will vote NO again.

I won't stand up again and speak in the meetings because of the condescending attitudes of the town trustees towards the citizens who are against this project. I can forgo the public humiliation.

Respectfully,

Kathryn V Rose
