Subject: ERS

My name is Gary Hill I reside at 0431 Golden Eagle Drive in the Terrace and have lived there since 1996 and have lived in the Valley since 1981. I strongly oppose ERS now as I did before in the previous vote. ERS would only make Eagle common place and not what it is a small town with every amenity a person needs within 30 minutes of two world class resorts. Let's work to make our present business's and development thrive before ever entertaining such a overwhelming project that will take away from what Eagle has to offer already. Sincerely Gary Hill
