

EAGLE RIVER CORRIDOR SUBAREA PLAN

PLANNING & DESIGN CHARRETTE

You are invited to join Town Staff, the Sonoran Institute and StudioINSITE for a **Planning & Design Charrette** on **October 30**. The Planning & Design Charrette, to be held over three days, will be a fast-moving and iterative design process that will provide the opportunity to translate the goals and ideas, identified to-date, into more specific planning and design strategies. The Charrette will engage a wide range of perspectives in the planning and design of the Eagle River Corridor and provide opportunities to offer input on concepts and strategies as they emerge.

The Public is invited to attend and provide input at the following events:

Thursday, October 30

12pm-1pm: Public Open House

7pm-8:30pm: Presentation of the Draft Plan

Please visit the "Eagle River Corridor Subarea Plan" webpage at www.TownofEagle.org for more information about the Plan.
