

LOWER BASIN WATER TREATMENT PLANT

# Lower Basin Water Treatment Plant PUBLIC OPEN HOUSE

Wednesday, December 13th

12:00 - 1:30 PM

Eagle Town Hall, 200 Broadway

The Town of Eagle invites you to participate in an ongoing dialogue about the Town's water infrastructure system. Please join us for a conversation and presentation regarding the Lower Basin Water Treatment Plant. The Town will provide more detailed information on the completed water studies and update the group on due diligence items such as construction cost estimates for plant construction and surcharge rates. Also, this meeting will provide time for active listening, open comments and discussions about the Town's plan.
