

**WATER AND SEWER PLAT INVESTMENT FEE APPLICATION BP# \_\_\_\_\_  
SINGLE FAMILY RESIDENTIAL OUT OF TOWN-FROST CREEK**

The water and sewer tap fees are otherwise referred to as a **Plant Investment Fee (PIF)** and have a two-fold function. First, the fees defray the Town's capital investment in the water and wastewater treatment plants and related major facilities. Second, the fee represents to the payee a permanent reservation of water plant capacity and right to use water from the water system, as well as a right to discharge sewage into the wastewater collection system, subject to the ordinances of the Town of Eagle.
