- (6) The right to purchase, lease, receive, hold, and enjoy, or sell and dispose of real and personal property;

**Commented [P2]:** Hilary/Matt – Commission wants to call out protection of parkland and open space dedication. They would like to add that any disposal of these properties go to the election of voters.

**Commented [JR3]:** I have a note that attorney would provide additional information on what can be included as a utility for this purposes of this provision.

**Article II  
Elections**

2.01 Election Laws. Town elections shall be governed by the Colorado Municipal Election Laws as now existing or hereafter amended or modified except as otherwise provided in this Charter or by ordinance hereafter enacted.

2.02 Types of Elections.

(1) Regular municipal elections shall be held on the Tuesday following the first Monday in November of 2018 and in each even numbered year thereafter.

(2) The term of any Mayor or Council Member that ends in April of 20~~21~~<sup>18</sup> shall be extended until the first regular Council meeting that is held in January following the November 2018 election, so long as the new elected Council Members take office pursuant to Section 2.02 (3).

**Commented [JR4]:** Should this be 2021?

(3) The Mayor and each Council Member shall take office at the first regular meeting of the Council held in January of the year following their election so long as the election has been finally certified and shall continue in office until their successors have been elected and take office or a vacancy occurs.

(4) Special Town elections shall be held in accordance with the provisions of this Charter and the Colorado Municipal Election Laws. Any special Town election may be called by resolution of the Council not less than thirty (30) days in advance of such election or when required by this Charter or by statute. The resolution calling a special Town election shall set forth the purpose or purposes of such election.

2.03 Nonpartisan Elections. All municipal elections shall be nonpartisan. In accepting a nomination, a candidate shall by affidavit, filed with the Town Clerk, attest to the fact that he or she has not become a candidate as the nominee or representative of or because of any promised support from any political party, committee, convention or organization representing or acting for any political party.

**Commented [P5]:** Hilary/Matt – Commission would like this less restrictive. They think that the town can't enforce this regardless of someone signing an affidavit. Please reword so that it only references that elections shall be nonpartisan. They wanted to check to see if there was a legal reason why this should be described this way first.

2.04 Recall. Any elected official of the Town may be recalled at any time after the completion of six (6) months in office by the electors entitled to vote for a successor of such incumbent, as mandated in the Colorado Constitution; C.R.S. § 31-4-501, *et seq.*, as may be amended from time to time; and Section 11.12 of this Charter.

**Article III**  
**Town Council**

3.01 Town Council. The Town Council, hereafter referred to as the Council, shall consist of seven (7) members.

- (1) The Council shall include a Mayor and six (6) Council Members.
- (2) All members of the Council shall be elected at-large by the registered electors of the Town, unless the Council establishes by ordinance voting districts and wards.
- (3) ~~All~~ Council Members shall be elected to serve four (4) year terms unless a two (2) year term is required to restore staggered positions on the Council. In such case, the four (4) year term(s) shall go to the candidate(s) with the highest number of votes, and the two (2) year term(s) shall go to the candidate(s) with the next highest number of votes.
- (4) No elected Council Member shall serve more than two consecutive terms in office. Terms to which an individual is appointed shall not count as a term for purposes of this limitation.

3.02 Authority of the Town Council.

- (1) The Council shall have the following authority:
  - (a) To enact and provide for the enforcement of all ordinances necessary to protect life, health, safety, welfare and property;
  - (b) To declare, prevent and summarily abate and remove nuisances in accordance with due process;
  - (c) To preserve and enforce good government, general welfare, order and security of the Town and the inhabitants thereof;
  - (d) To enforce ordinances and regulations by ordaining as permitted by state law for municipal court jurisdiction, or imprisonment as permitted by state law, or both fine and imprisonment for each and every offense;
  - ~~(e) To provide for the granting of probation and the conditional suspension of sentences by the Municipal Court; and~~

**Commented [P6]:** We need a few language options reflecting the following which will still include staggered terms for each option:

1. Two terms for each member with no cooling off period between terms.
2. Two terms with 2 years between terms.
3. Three terms with no cooling off period between terms.
4. Three terms with 2 years between terms.
5. Three terms with 4 years between terms.

~~(f)~~(e) To delegate to boards and commissions, within limitations of the Constitution and this Charter, such functions and authority of the Town as it deems proper and advisable.

~~(g)~~(f) The Council shall deal with the administrative service solely and directly through the Town Manager, and neither the Council, its members, nor committees shall either dictate the appointment or direct or interfere with the work of any officer or employee under the Town Manager.

(2) No enumeration or particular authority granted to the Council shall be construed to impair any general grant of authority herein contained or granted by the State Constitution, or to limit any such grant of authority of the same class or classes as those so enumerated.

(3) In the case of a vacancy on the Council, the Council shall declare a vacancy according to standards set forth by ordinance or by C.R.S. § 31-4-303, as may be amended, and shall appoint a member to fill a vacancy until the next regular election, unless the Council determines to fill the vacancy by Special Election.

**Commented [P7]:** Hilary/Matt – Commission didn't know what this meant. Is there a way to break it down so that people know what it is? They were confused. It could be boiler plate stuff, just need to know.

**Commented [P8]:** The commission would like to say that the council would adopt procedures to fill a vacancy by resolution. I think we can keep the CRS reference. They felt it was more of a procedure that should be up to each council.

### 3.03 Qualification of Council Members.

(1) No person shall be eligible to be elected or appointed to the office of Mayor or Council Member unless he or she meets the following requirements:

- (a) Is a citizen of the United States of America;
- (b) Is a registered elector of the Town; and
- (c) Is a resident of the Town for a period of no less than 12 consecutive months preceding the election.

~~(d) — No person who has been convicted of a felony shall be eligible to be elected or appointed to the office of Mayor or Council Member.~~

~~(e)~~(d) No person who is a ~~current~~ employee of the Town may serve as Mayor or Council Member. Any Town employee elected as Mayor or Council Member shall be deemed to have resigned as an employee on the date of taking office.

~~(f)~~(e) No person may be a candidate for both Mayor and Council Member at the same election.

**Commented [BR9]:** For members who serve on other boards in the community. The commission wanted to explore language on recusing if there was a conflict. I told them that this is already covered, but I think it needs to be said by an attorney. Would putting language like this in be excessive? I was asked to check.

- (2) The Town Clerk shall be the judge of the election and of all qualifications for Council Members, except as otherwise provided by ordinance.

3.04 Council Meetings.

- (1) The Council shall meet regularly at least once each month, unless increased by ordinance, at a day and hour and place to be fixed by the rules and proceedings of each Council.
- (2) Four (4) members of the Council shall constitute a quorum, but, in the absence of a quorum, a lesser number may continue any meeting and/or hearing to a later time or date, and in the absence of all members the Town Clerk may adjourn any meeting for not longer than one (1) week.
- (3) All regular and special meetings of the Council shall be open to the public, and citizens shall have a reasonable opportunity to be heard. Written minutes of the proceedings of each meeting shall be kept by the Clerk and signed by the Mayor.

3.05 Voting.

- (1) Votes for and against shall be taken upon the passage of all ordinances and resolutions and entered upon the minutes of the Council proceedings. The minutes of each meeting shall reflect the specific vote of each Council member.
- (2) Every ordinance shall require the affirmative vote of a majority of the Council Members present, to be adopted, and every emergency ordinance shall require the affirmative vote of two-thirds Council Members present to be adopted.
- (3) Every resolution and motion shall require the affirmative vote of a majority of the Council Members present and voting unless required otherwise in this Charter.
- (4) ~~Every Refusal by a Council Member to vote shall~~ vote on every matter unless be the equivalent of an affirmative vote for an ordinance, resolution, or motion and may be grounds for a finding of misconduct or malfeasance by the Council Member unless the Council Member is ~~refraining from or~~ is excused from voting due to a conflict of interest as provided in Section 3.06 below.

~~3.06~~ Conflict of Interest. No member of the Council shall vote on any question in which he or she has a conflict of interest. A conflict of interest occurs when the Council Member has a substantial personal or financial interest in the outcome of the question, whether direct or indirect, or on any questions concerning his or her own conduct. The Council shall adopt by resolution a Code of Ethics. ~~A~~

~~conflict of interest does not include general personal interest in the outcome of the matter. All Council Members are required to disclose and provide details regarding his or her conflict of interest to the Council.~~

- ~~(1) Whether or not a disclosure is made by the Council Member, the other members of the Council shall determine, by a vote of the remaining members of the Council, whether the Council Member shall be excluded from consideration, discussions, and voting on the issue.~~
- ~~(2) If a conflict of interest is not disclosed and is established with respect to a matter already considered by the Council, the remaining members of the Council shall take any action they deem to be in the best interests of the Town, including, but not limited to, terminating the unperformed portion of any contract entered into when such a conflict of interest existed. Failure to disclose a conflict of interest may be grounds for a finding of misconduct or malfeasance by the Council Member.~~
- ~~(3) If the Council determines that a conflict does not exist, the Council Member is required to vote on the question. If the Council Member continues to refuse to vote, such abstention will constitute an affirmative vote on the question and may be grounds for a finding of misconduct or malfeasance by the Council Member.~~
- ~~(4) If a conflict is established that results in the recusal or excusal of a Council Member, that Council Member shall physically leave the Council chambers and refrain from participation during all consideration, discussion, and voting on the issue on which the Council Member has the conflict.~~
- ~~(5) If a conflict is established that results in the recusal or excusal of more than one Council Member so that less than a quorum remains to consider an issue, a Council Member may vote notwithstanding subsection (4) of this Section if his or her participation is necessary to enable the Council to act.~~

3-073.06 **Compensation of Council Members.** The members of the Council, including the Mayor, shall receive such compensation as the Council shall by ordinance prescribe.

- (1) The Council shall neither increase nor decrease the compensation of any member during his or her term of office.
- (2) Council Members may, upon order of the Council, be paid such necessary bona fide expenses incurred in service on behalf of the Town as are authorized by the Town Council.

~~3.083.07~~ Oath of Office. Before entering upon the duties of the office the Mayor and every Council Member shall take, subscribe before and file with the Town Clerk the following an oath or affirmation:

I, (name), swear (or affirm), that I will support the Constitution of the United States, the Constitution of the State of Colorado, the Charter and the ordinances of this Town, and will faithfully perform the duties of my office.

~~3.09 Voting Districts. Voting districts and wards may be created by ordinance.~~

3.10 Mayor Pro Tem. A Mayor Pro Tem shall be elected by the Council from its own membership at the first meeting in January following each biennial election.

- (1) The Mayor Pro Tem shall serve until the January Council meeting following the next regular Town election, and shall act as Mayor during the absence or disability of the Mayor.
- (2) In the event of absence or disability of both the Mayor and the Mayor Pro Tem, the Council shall designate another of its members by majority vote to serve as Acting Mayor during such absence or disability.
- (3) Any Mayor Pro Tem or Acting Mayor, while serving as such, shall retain all authority granted herein to Council Members and may, at the conclusion of his or her service as Mayor Pro Tem or Acting Mayor, serve out the remainder of his or her original term.

3.11 Special Meetings.

- (1) Special meetings of the Council shall be called by the Town Clerk on the verbal request of any four (4) Council Members, on at least twenty-four (24) hours' notice to each member of the Council.
- (2) Written notices of any special meeting and the topic of any special meeting shall at least be posted consistent with the posting of Regular Meetings in at least one (1) public place at least twenty-four (24) hours prior to the meeting. No business shall be transacted at any special meeting of the Council unless such business has been stated in the notice of such meeting.

3.12 Executive Sessions.

**Commented [P10]:** Do we need to reference the current statute and may be amended in all meeting sections? We are probably covered here. I told the commission that they don't always need to reference the CRS and that it is working for us behind the document.

(1) Any Council meeting may be recessed into an executive session by the affirmative vote of a majority of the members present and may be closed to the public for the following purposes only:

- (a) To determine a position relative to issues subject to negotiation, to receive reports on negotiation progress and status, to develop strategy, and to instruct negotiators;
- (b) To consider the acquisition or disposal of real property if, in the judgment of the Council, premature disclosure of information might give any person an unfair competitive or bargaining advantage;
- (c) For matters of attorney-client privilege, to receive legal advice from an attorney representing the Town, and for matters required by law to be kept confidential;
- (d) For matters critical to the personal safety of elected officials and for matters involving the protection and security of Town property;
- (e) For personnel matters except if the employee who is the subject of the session has requested an open meeting, or if the personnel matter involves more than one employee, all of the employees have requested an open meeting;
- (f) To deliberate on evidence presented to the Council while acting in a quasi-judicial capacity; or
- (g) To consider additional matters for which an executive session is permitted under the Colorado Revised Statutes concerning the meetings of local public bodies.

(h) Add a section citing the specific reason(s) for going into executive session.

~~(g)~~(i) Add a section on negotiation for economic development strategies - (ask Matt first)

(2) The general subject matter of any executive session shall be stated in the motion calling for the session. No formal action, no final policy decision, no rule, regulation, resolution, or ordinance, and no action approving a contract or calling for the payment of money shall be adopted or approved at any session closed to the public.

**Commented [P11]:** Matt/Hilary – the commission wanted a list of executive session reasons. Also, does economic development negotiations need to be listed here? One commissioner really wanted to call this out, but wanted to know if the council was already covered.

**Commented [BR12]:** Not sure we need to do this, I told them it's better if we don't because the statutes might change.

**Commented [BR13]:** Same question proposed above.

- (3) Only the Mayor and members of the Town Council shall attend executive sessions provided; however, that other persons may be invited to attend executive sessions by the Mayor and Council.
- (4) The provisions of this Section 3.12 are specifically intended to supersede any conflicting provisions of Colorado statutes governing open meetings and executive sessions.

**Commented [P14]:** Hilary/Matt –Can you provide language that acknowledges the council’s rights to have an executive session here?

I also need 2 examples of language that includes mandating that the Attorney and/or manager be present.

**Article IV**
