**TOWN OF EAGLE
NOTICE OF PUBLIC HEARING**

NOTICE IS HEREBY GIVEN that on the 27th day of August, 2019 at 6:00 p.m. at the Eagle Town Hall, 200 Broadway, Eagle, Colorado, the Eagle Board of Trustees will hold a public hearing on the petition for the annexation of certain territory to the Town of Eagle, Colorado, for the purpose of determining whether the area proposed to be annexed meets the applicable requirements of the Colorado Constitution and the Municipal Annexation Act of 1965, and is considered eligible for annexation.

**PETITION FOR ANNEXATION
RESERVE AT HOCKETT GULCH**

TO THE BOARD OF TRUSTEES OF THE TOWN OF EAGLE, COLORADO:

The undersigned (“Petitioner”), in accordance with the Municipal Annexation Act of 1965 as set forth in Article 12, Title 31, Colorado Revised Statutes, as amended and as in effect on the submission date set forth below (“Annexation Act”), hereby petitions the Board of Trustees of the Town of Eagle, Colorado (“Board”), to annex to the Town of Eagle (“Town”) the unincorporated territory located in the County of Eagle, State of Colorado, which property is more particularly described by its legal description in Exhibit A attached hereto and incorporated herein by reference (“Property”). In support of this Petition for Annexation (“Petition”) the Petitioner states that:

1. It is desirable and necessary that the Property be annexed to the Town.
2. The requirements of C.R.S. §§ 31-12-104 and 31-12-105, as amended, exist or have been met in that:
 - (a) Not less than one-sixth (1/6) of the perimeter of the Property is contiguous with the Town.
 - (b) A community of interest exists between the Property and the Town.
 - (c) The Property is urban or will be urbanized in the near future.

- (d) The Property is integrated with or is capable of being integrated with the Town.
- (e) In establishing the boundaries of the Property, no land which is held in identical ownership, whether consisting of a single tract or parcel of real estate or two (2) or more contiguous tracts or parcels of real estate:
 - (i) is being divided into separate parts or parcels without the written consent of the landowner or landowners thereof unless such tracts or parcels are separated by a dedicated street, road or other public way; or
 - (ii) comprising twenty (20) acres or more and together with buildings and improvements situate thereon having a valuation for assessment in excess of Two Hundred Thousand and 0/100 Dollars (\$200,000.00) for ad valorem tax purposes for the year next preceding the proposed annexation, is included in the Property without the written consent of the landowner or landowners.
- (f) The Property is not presently a part of any incorporated city, city and county, or town; nor have any proceedings been commenced for incorporation or annexation of an area that is part or all of the Property; nor has any election for annexation of the Property or substantially the same territory to the Town been held within the twelve (12) months immediately preceding the filing of this Petition.
- (g) The proposed annexation will not result in detachment of area from any school district or attachment of same to another school district.
- (h) The annexation of the Property will not have the effect of extending the municipal boundary of the Town more than three (3) miles in any direction from any point of the current municipal boundary.
- (i) Prior to completion of the annexation of the Property, the Town will have in place a plan for that area, which generally describes the proposed location, character, and extent of streets, subways, bridges, waterways, waterfronts, parkways, playgrounds, squares, parks, aviation fields, other public ways, grounds, open spaces, public utilities, and terminals for water, light, sanitation, transportation, and power to be provided by the Town; and the proposed land uses for the area.
- (j) If a portion of a platted street or alley is to be annexed, the entire width of the street or alley has been included within the territory to be annexed.

- (k) The proposed annexation will not result in the denial of reasonable access to any landowner, owner of an easement, or owner of a franchise adjoining a platted street or alley which has been annexed by the Town but is not bounded on both sides by the Town.
3. Petition is the landowner of the entirety of the Property and, thus, Petitioner comprises more than fifty percent (50%) of the landowners in the Property owning more than fifty percent (50%) of the Property, excluding public streets, and alleys and any land owned by the annexing municipality, and the Petitioner hereby consents to the establishment of the boundaries of the Property as shown in the annexation maps submitted herewith.
 4. This Petition is accompanied by four (4) copies of the annexation map (Reserve at Hockett Gulch Annexation Map) containing, among other things, the following information:
 - (a) A written legal description of the boundaries of the Property;
 - (b) A map showing the boundary of the Property, which has been prepared by a registered engineer as evidenced by the engineer's seal;
 - (c) Within the annexation boundary map, a showing of the location of each ownership tract in unplatted land and, if part or all of the area is platted, the boundaries and the plat numbers of plots or of lots and blocks; and
 - (d) Next to the boundary of the Property, a drawing of the contiguous boundary of the Town and the contiguous boundary of any other municipality abutting the Property, and a showing of the dimensions of such contiguous boundaries.
 5. The affidavit of the circulator of this Petition certifying that the signature on this Petition is the signature of the person whose name it purports to be and certifying the accuracy of the date of such signature is attached hereto as Exhibit B and is incorporated herein by this reference.
 6. The proposed annexation of the Property complies with Section 30(1)(b) of Article II of the Colorado Constitution.
 7. Petitioner has executed and submitted this Petition for the purposes of, inter alia:
 - (a) facilitating annexation, zoning and development approvals for the Property, in form and substance acceptable to Petitioner, to enable Petitioner's development of the Property under the Town's jurisdiction in a manner consistent with Petitioner's future development plans for the Property ("Entitlements Condition"); and
 - (b) facilitating resolution of ingress/egress, access approvals/permits, and similar traffic matters ("Traffic Condition"). Accordingly,

it is Petitioner's intent, and Petitioner has submitted this Petition on the express condition, that Petitioner may withdraw its signature from this Petition at any time prior to the effective date of the annexation in accordance with the provisions of C.R.S. § 32-12-107(1)(e) of the Annexation Act by delivering written notice of such withdrawal to the Town Attorney's Office. If Petitioner withdraws its signature from the petition in accordance with this Section 7, this Petition shall be void and of no further effect.

8. Accordingly, in connection with the processing of this Petition, Petitioner requests that the Town, in order to satisfy the Entitlements Condition and the Traffic Condition, approve the terms of an annexation and development agreement in form and substance acceptable to Petitioner ("Annexation and Development Agreement") that addresses the terms and conditions upon which the development of the Property will occur after annexation, including, but not limited to, the terms and conditions pertaining to the Entitlements Condition, the Traffic Condition, and the scope and duration of vested property rights.
9. Upon the annexation of the Property becoming effective, and subject to the conditions set forth in this Petition and to be set forth in the Annexation and Development Agreement, the Property will become subject to all ordinances, rules and regulations of the Town, except for general property taxes of the Town which shall become effective as the January 1 next ensuing following adoption of the annexation ordinance.
10. Except for the terms and conditions contained or referenced in this Petition, which terms and conditions Petitioner expressly approves and therefore do not constitute an imposition of additional terms and conditions within the meaning of C.R.S. §§ 31-12-107(4) and 31-12-110(2) of the Annexation Act, Petitioner requests that no additional terms and conditions be imposed upon annexation of the Property to the Town.
